review action plans & Adjournment: 9:04

WIN Time Grades 6-9
"What I Need" Time at Red Deer Lake School

Why WIN Time?

Last school year, our students, parents, and teachers completed surveys about the RDL timetable. When we read the survey results, one of the things that frequently arose was that students felt they could use more time and support to complete their work. It was also made very clear that teachers and parents did not want to lose time on the core subjects we value so much. In the end, we were able to either increase or maintain all of our core subject classes, while adding in this extra support in the form of WIN Time. You will notice that there is no "RTI" (Response to Intervention) time in your schedule this year in grades 7-9; however there are elements of RTI in WIN time and throughout our regular scheduling.

What will WIN Time Promote?

1. HIGH-LEVEL LEARNING!

WIN Time will help you to meet the expectations of the high level of learning at Red Deer Lake.

2. ALL TYPES OF LEARNERS ACHIEVING SUCCESS!

WIN Time will allow every type of learner to be successful at RDL. Students learn at different rates with different levels of support. WIN time honors that, and will support students as they continue the Tradition of Excellence at RDL.

What Will WIN Time Look Like?

In WIN TIME, you will do some of the following...and more...

1. Learn how to set and achieve SMART goals.
2. Use the time to complete work from your regular core classes.
3. Use technology to further support academic skills (ie. Study Island – Reading and Math, Imagine Learning, Mathletics)
4. Receive extra support to understand concepts covered in your regular classes.
This support may be given by the teacher, Learning Coach, and/or a peer.
5. Work with our RDL Learning Coach (Mrs. Crowe).
6. Work on projects and large assignments (ie. Science Fair)
7. Develop your organizational skills.
8. Improve your study skills.
9. Have some choice in how to improve your understanding at school.
10. _____ (let us know what you need)

SMART GOALS

S	SPECIFIC AND CLEAR <ul style="list-style-type: none">• What exactly do I want to accomplish?• What exactly do I want to understand?
M	MEASURABLE <ul style="list-style-type: none">• How will I measure my accomplishment?• How will I measure my understanding?
A	ACTION <ul style="list-style-type: none">• What small steps can I take to achieve my goal?• Where will I record my goal and how will I reflect on my goal?
R	REALISTIC AND RELEVANT <ul style="list-style-type: none">• Is it possible to achieve my goal?• Is this goal relevant to my life, school work, understanding?
T	TIME-BOUND <ul style="list-style-type: none">• What is my "time-frame"?• What are my start, finish, and "check-in" dates?
