

Grade 1 to 3 School Supplies

We make bulk purchases for school supplies for our **Grade 1 to Grade 3** students and charge through school fees for these supplies. As Foothills School Division is part of a large purchasing group, we are able to save up to 60% on what these supplies would cost at a local retailer. In addition, teachers shop the “loss-leader” sales that take place during the summer. The result is less cost, greater quality, and consistency for our young learners (e.g. all spelling duotangs are yellow, which helps with organization and routines in the classrooms).

If you choose to purchase your own supplies, please contact the office and we will arrange for the fee to be removed from your student’s account and supply you with a list of required items.
